NOTES AND ORDERS.

The Superintendent of the Lunatic Asylum urges ~~for~~ the following grounds for increase of the pay of the attendants in the Asylum:—

(1) that the wages of attendants in the Lunatic asylum at Bangalore are as compared with those

of the Asylum duties, some of the attend

The maximum pay of male ward attendants in Vict. Hospl is only Rs 8 per mensem.

These figures ~~are calculated~~ include also Rs 264/- per annum on account of 2 temporary male warders on Rs 6 each and 2 temporary female warders on Rs 5 each. A lump sum provision of Rs 264 has been made in the budget of the Lunatic asylum on account of this temporary estabt. of warders ~~each~~ but the no: & date of the G.O on the authority of which they were entertained ~~have~~ have not been quoted in the proposition Statement; nor has the Comptroller specified the same in ~~his~~ Verifying the Statement

10. Submitted for orders

Answered 18.1.09. 11. The chief complaint is that servants getting Rs 6 and Rs 7 a month do not remain in service long, and in recommending an increase to them, a general revision of almost the entire establishment of the Lunatic Asylum is proposed.

1. Matron - An increase

NOTE—Contn. sheet.

of Rs 5 is recommended to her on the ground that her position is one of great responsibility and that she is not content to draw so much less pay than other matrons in similar charges. The number of patients in the Asylum cannot be taken as being always a correct test of the amount of pay she is to draw. While the matron at Berhampore where the average no of patients is 586·56 gets only Rs 40, the matrons at Kolaba and Thana where the average number of patients is 127·10 and 200·90 respectively get Rs 60. I believe the matron has got free quarters. Bangalore is reputed for its salubrious climate. It is for consideration whether there is a real necessity to increase the matron's pay.

2- Male attendants or warders

There are 12 permanent warders, 6 probationary warders, and

GPB—50.000—13-5-08

2 temporary warders Of the permanent warders, two get Rs 10 each, four Rs 8 each and six Rs 7 each. A progressive scale is now proposed. It is also stated that the attendants in the Victoria Hospital get from Rs 7 to Rs 10 and that on account of the "loathsome duties the Asylum servants have to perform and that with all patience and consideration for the afflicted inmates", they should be better paid than other attendants. A reference to the State Budget shews that the male ward attendants of the Victoria Hl get only 8 and 7 rupees a month and the statement that they are getting between 7 and 10 rupees does not seem to be correct. Therefore The six probationary ~~wa~~ attendants get Rs 6 each. They may ~~also~~ be ~~a~~ regarded as ~~Do~~ pucca as proposed warders, Thus the total number of permanent warders will be 18 and they may be divided into three classes, 4 in the I class, 6 in the

GPB—50,000—18-5-08

II class and 8 in the III class. The pay of the I class attendants may be fixed at Rs 10 each, of the II class at Rs 9 each and of the III class at Rs 8 each. The pay of the two temporary attendants now fixed at Rs 6 each may be raised by one rupee as proposed. The following statement shews at a glance the scale proposed above:—

I Class - 4 attendants - Rs 10 each
II do - 6 do - Rs 9 -
III do - 8 do - Rs 8 -
Temporary - 2 do - Rs 7 -

3. Female attendants or wardresses. The female attendants in the Victoria Hospital get Rs 7 each. As in the case of the male attendants they may be divided into classes and given pay as shewn below:—

I class - 1 attendant - Rs 9 ~~each~~
II class - 2 do - Rs 8 ~~each~~
III class - 2 do - Rs 7 -
Temporary - 2 do - Rs 6 -

4. Cooks. There are three cooks employed, two of whom are recommended to an increase

of one rupee each. This may be sanctioned.

5. Washerman. An increase of one rupee is recommended to him. This may also be sanctioned

6. Night watchman and watchwomen - There are five of the former and two of the latter and it is proposed to pay all of them at Rs 6 each - The former may be paid at Rs 6 and the latter at Rs 5 each -

12. If the above modifications in the Senior Surgeon's proposals are approved, Br H will be consulted.

13. For the reasons given by the Sr Sn the matron may be given an increase of 5 Rs

14 The scale of pay suggested ~~by~~ in the asst Secy's note for the male attendants appears to be suitable. The Sr Sn ~~only~~ complains chiefly of the insufficiency of the minimum pay which is now 6 & 7 R. He says the higher paid servants stay in service for a long time. The asst

The graded scales ~~proposed~~ by the S^r Sr appear to be ~~somewhat~~ much higher than the scales of pay of similar servants in other institutions and such an increase in the case of the lunatic asylum is likely to lead to applications for similar increases of pay to servants in other institutions.

15. The suggestions of the Asst Secy re female attendants, cooks, & nightwatchmen also appear suitable.

This fact must be impressed on the Heads of Departments who must be enjoined to have it in view when they feel inclined to propose additional new expenditure. It is not improbable that there are directions in which retrenchments could be effected and what is required is that the departmental Heads should set about finding them. It may be laid down therefore that unless a proposal for increase of expenditure is also accompanied a

21.

As observed by the Second Councillor, this is not the time for entertaining personal for general increase of pay of Establ. In view of this as also of the fact that the question of retrenchments in the Medical Dept is still under consideration it is not possible to accept financially the Senior Surgeon's recommendation for raising the pay of so many hands of the Asylum and adding largely to the expenditure of the Institution.

22. It is clear from the Senior Surgeon's letter of 18-9-08 that the only part of his personal which may be considered as urgent is that about raising the pay of Servants who are now

The pay of the permanent attendants on Rs 6 + 7 may be raised by 1 Re. The pay of temporary men may not require any increase as they will in the first place expect promotion to a permanent post which will bring with it any increase of a rupee. Of female attendants there are 3 on pay of or less than Rs 7 + 2 temporary women on Rs 5 each. The pay of the three women on now or less than Rs 7, may be raised by 1 Re. No increase to the pay of the temporary women seems necessary.

There are 7 watch men + women on Rs 4 + their pay may be increased by 1 Re. The case for increasing the pay of none of the other servants seems to be strong. As for the present temporary distress caused by

These papers relate to certain proposals made by the Senior Surgeon for a revision of the establishment of the Lunatic Asylum, Bangalore, involving a total maximum recurring expenditure of Rs.1,068 per annum, as detailed in the abstract statement appended.

p12 & 13 o.

2. The Financial Branch has noted that "this is not the time for entertaining proposals for general increase of pay of establishments" and that in view "also of the fact that the question of retrenchments in the Medical Department is still under consideration it is not possible to accept financially the Senior Surgeon's recommendations for raising the pay of so many hands of the Asylum and adding largely to the expenditure on the Institution". But the Financial Branch is agreeable to raising by one rupee the pay of such of the permanent attendants of the Asylum as are at present in receipt of Rs7 and less. This would involve an increase of Rs.21 per mensem or Rs.252 per annum, as detailed below:-

3. The Second Councillor Mr.K.P.Puttanna Chetty

concurred in this view, and, as First Councillor, I agreed with him. The papers had been submitted to the late Dewan, but no opinion was recorded by him. The small increase to the attendants proposed by the Financial Department may be sanctioned, with effect from the 1st July 1909. These men have onerous and disagreeable work to do, and the older they grow in the service of the Asylum the more useful they become and the more inured to the work.

4. In the case of inmates of the Asylum who have well-to-do relations bound to take care of them, the feasibility of requiring these relations to contribute a proportion of the cost of maintenance will be separately considered.

The statement has been very carefully considered by both Mr. V.Abboy Naidu and myself in every item, & after contrasting our conditions with those of many other asylums in India, and the total increase though small will I feel sure go along way to reconciling the officials with their trying tasks, and inducing them to remain on in the asylum for much longer periods than is the case at present.

Lt.Col. I.M.S

Senior Surgeon, Mysore Government

No.129 dated 18-9-08 from the Senior Surgeon in charge Lunatic Asylum, Bangalore, to the Senior Surgeon -- with the Government of Mysore, Bangalore.

In forwarding herewith a statement showing the scale of pay of the attendants in the Lunatic Asylum of the State as compared with those of some of the other Asy--lums in India, I have the honor to state that the wages here are undoubtedly very low in view of the difficult and distasteful nature of the work to be performed & the neces--sity of securing as servants men of strong physique and good character and capable of taking sufficient interest in the Asylum duties, Eg: the method of dealing with the sick, the epileptics, the violent and the suicidal. Upon the efficiency of the attendants depend hourly and momentarily -- the safety, the comfort, the happiness and the well being of the insane. Without efficient attendants it is impossi--ble to provide the necessary exercise of the body and of mind of the insane people, the most important means of -- their improvement and recovery.

2. As a rule persons that have tried and failed at other appointments seek service in the Lunatic Asylum for the very poor pay of Rs.6/- per mensem. When such men are entertained and though drilled one or two months in the -- different duties they have to perform they are found incapa--ble of doing the same satisfactorily. Some have been ob--served to abscond within two or three days of their enter--tainment on account of the risky and repellant nature of the asylum duties and some soon after the receipt of the 1st or 2nd month's wages, being dissatisfied with the paltry pay as a recompense for the hard task they have to do. -- Over 50% of the servants have thus been observed to leave the service every year but such constant changes among the attendants are detrimental to the best interest of the --

ins..ne

insane patients as it is impossible for the raw recruits to acquaint themselves with the individual fads and disposi tions of the lunatics in a day or two and understand the best way of dealing with them.

3 It has further been observed that only the servants getting Rs.6/- and 7/- per mensem leave off the service and go away; there has not been a single case of -- desertion for the past $3\frac{1}{2}$ years in the higher grades. In the Asylum the duties and responsibilities of the attendants are equal to the duties and responsibilities of the Jail warders and Hospital servants combined; nay more, for the latter have to deal with the sane people, while the former have to deal with the insane, civil and criminal patients who cannot be easily controlled or guided in their actions But while the Jail warders get from Rs.7/- to 25/- and the Victoria Hospital warders get from Rs.7/- to 10/- the Asylum attendants get from Rs.6/-.to 10/-.

4 Under these circumstances I request you will be good enough to recommend to Government the raising of the present scale of wages in the Asylum so as to make the ser -vice attractive to a better class of men. I would suggest a gradual scale in the wages in order that the attendants may have something to look forward to, and some hope of advance -ment in the Asylum service; by this means not only efficiency and good conduct can be secured among them but the most undesirable perennial changes, as at present observed will cease to exist.

5 In the last column of the comparative statement is inserted the proposed scale of wages. The excess is -- not to be considered seriously large as it is only in the -third year of its sanction it will be in conformity with the scale existing in the majority of the Asylums in India

I enclose also the usual proposition statement &

a nil reappropriation statement as no funds will be availa -ble from the Asylum budget.

6 In regard to the former the increase affects all the servants except the Sergeant, the Clerk & Toties in the perma -nent establishment and two who are paid from contingencies I shall not dwell on the claims of any in particular. All have been carefully considered and I think it will be admitted that efficient servants cannot be had now a days -- when food prices range so high for less wages than I have -proposed. On starvation wages it is clear that rigid --- honesty cannot be expected from the employees and petty -- pilfering, which it is impossible to stop or even to detect must be an every day occurrence.

7 On the whole it seems to me that the interests of the servants and of the lunatics of the State will be -- alike served by the grant of the small increase in the -- wages which I now recommend

Sir,

With reference to your docket No.5752/Med.117-08-4, dated, 15-12-1908, I have the honor to forward the accompanying copy of letter No.324 dated 25-12-1908 from the Senior Surgeon in charge Lunatic Asylum, Bangalore, stating the special grounds for increasing the pay of the Matron & the authority under which 2 temporary male warders on Rs.6/ each and 2 temporary female warders on Rs.5/- each are entertained in the Lunatic Asylum.

I have the honor to be,

Sir,

Letter No.324 dated 25-12-1908 from the Senior Surgn. in charge Lunatic Asylum, Bangalore, to the Senior Surgeon with the Government of Mysore, Bangalore.

With reference to No.5752/Med.117-08-4 dated 15th December 1908 from the Secretary to Government, Genl. and Rev.Deptts., forwarded to this office with your No. 3373 dated 23rd instant, I have the honor to state that the position of the Matron in the Asylum is one of great responsibility, and she is not content to draw so much less pay than other Matrons in similar charges, e.g., in Calaba, population 127, the Matron draws Rs.60/- and in Tannah, 200 she also draws Rs.60/-, while in other Asylums, most much larger than ours, the Matron draws pay of Rs.100 or more (vide comparative statement submitted).

2. The authority under which the temporary warders are entertained is the statement appended to G.O.No.G.1210-11/G.F.39-92 dated Bangalore 22nd August 1903.

no of 1st 08 the 9th January 09
from the same Officer forwarding
Copy of letter no 3243 the 25th dec'08
from the officer in Charge of the Lunatic
Asylum stating the special grounds
for increasing the pay of the matron of
the Asylum.

Order thereon: 4223 9/2-7-09.
med 117-08-6

Govt observe that it is not now
opportune for entertaining proposals
for general increase of the pay of establishments
and that in view of the fact that the
question of retrenchments in the Medical
Dept is still under consideration, it
is not possible to accept the Senior Surgeon's
recommendations ~~for the increase~~ in their entirety
~~as these entail expenditure for increasing~~
~~the pay of so many hands of the Asylum~~,
and adding largely to the expenditure on
the institution.

2. As it has been represented ~~by the officer~~ in charge of the Lunatic asylum that the Servants of the institution ~~who are in receipt~~ of Rs 6 & Rs 7 per mensem abscond within 2 or 3 days of their entertainment & soon soon

~~Some of~~ however that the Asylum servants who have to perform loathsome duties ~~frequently~~ are very poorly paid

after passing the 1st and 2nd ~~middle~~ ~~wages~~ and that over 50 p.c of them ~~these Servants~~ are found to leave the Service every year, Govt are pleased to sanction with effect from the 1st July '09 an increase of one rupee each to (1) 6 permanent male attendants and 6 probationary male attendants of the Asylum ~~(a)~~ getting Rs 7 and Rs 6 each per mensem, (2) 2 permanent female attendants getting 6 and 5 rupees ~~Rs 6 and Rs 5~~ each per mensem and (3) 6 night watchmen and 2 night watch women ~~who are now~~ getting Rs 4 each per mensem. No increase to the pay of the temporary male and female attendants is considered necessary as these will only expect in the first place appointment to a permanent post which will bring with it an increase of a rupee to their pay ~~and Govt~~ See no reason to sanction the proposal for increase of pay to the ~~matron~~ and the other ~~Servants~~ of the Asylum.

3. The estab^t of the Lunatic Asylum as above proposed is shown in the appended Statement and the Senior Surgeon is requested to point
